

ANGELO GABRIEL D. EVANGELISTA

Dasmariñas City, Cavite • 970-164-0723 • evangelistaangelo38@gmail.com

SUMMARY

Web designer with over a year of professional experience building and maintaining responsive websites on Duda (Classic and 2.0). Skilled in SEO configuration, mobile optimization, site migration, and translating client feedback into polished design updates. Recognized for consistent, high-quality output through two Employee of the Month awards and trusted with independent delivery status. Experienced in managing multiple concurrent website projects under deadline pressure with strong attention to detail. Proficient in using AI tools to support content creation and eager to grow client-facing communication skills through onboarding and support calls in a remote-first environment.

WEB DESIGNER – ECLERX

Oct 2024 - Present
